## IS "GETTING HIGH" A SIN?

Witches, sorcerers, and drunkards are those who dispense or intake mood altering intoxicants into their bodies in the futile attempt to escape the truth of their realities. The modern day meaning for sorcerers includes all those who source or dispense mood altering drugs, including liquor salespersons, doctors prescribing mood altering substances, street pushers and pharmacies dispensing all such substances for the purpose of getting high.

Those who are poisoned or intoxicated (high) on these mood altering substances including alcohol commonly fall into greater temptations and sins such as lying, adultery, fornication, thievery, lust and murder, the end of which sends all such souls into the eternal tormenting fires of Hell.
