"Dear Lord, I confess that I have sinned and I am truly sorry for all my sins. I believe that you are the virgin born, Son of God and have come here to die and shed your blood for my sins. I repent of my sins now and ask you to forgive all my sins and come into my heart. By your shed blood, make me worthy for your heaven and fill me with your Holy Ghost so that I may serve you all of my days. Thank you, Lord Jesus.

## THE WRATH OF THE CHRIST

Without darkness, we cannot understand light; without cold, we cannot understand warmth; without sickness, we cannot appreciate health; without anger, we cannot understand blessedness. There is in all of God's creation a contrary system of forces in the establishment of truth and righteousness. This is borne out by the statement of physics that proclaims that, "For every action there is an equal and opposing reaction." John, the Baptist, made this clear as he introduced the light of Christ to a world of darkness. These were his words: "John answered, saying unto them all, I indeed baptize you with water; but one mightier than I cometh, the latchet of whose shoes I am not worthy to unloose: he shall baptize you with the Holy Ghost and with fire:" (Luke 3:16 AV)

We see here this reactive spirit manifest in the description of the work of Christ. On the one hand the Spirit of God as comforter, on the other the fire of His wrath. This same quality of God's response to the mankind He made in His image is found in the words of the prophets of old: *"Therefore as the fire devoureth the stubble, and the flame consumeth the chaff, so their root shall be as rottenness, and their blossom shall go up as dust: because*

*worketh abomination, or maketh a lie: but they which are written in the Lamb's book of life."*

*because they have cast away the law of the LORD of hosts, and despised the word of the Holy One of Israel.* (Isaiah 5:24 AV)

Man, who wants all things according to his own will, dismisses the will of God. God, who wants man's love and companionship and cannot abide his sin, has provided this reactive force in His dealings with man to bring him into fellowship with Him.

Since all we know about the Christ is written in the Bible, man has determined to do away with it, either by ignoring it, discrediting it, or changing it. The latter seems to be the choice among those who want God to change His ways. They have determined to change God, so by changing His Word, they think they are changing God. But God says clearly that He never changes.

Jesus made this clear when He came, being God manifest in the flesh. He warned men of the torments of Hell and the lake of fire opposing their desires to get rid of Hell from the Bible. Being immersed in a lake of fire is a horrible thought, especially being alive in it forever. But God does not mislead anyone as does man, and the fact of matters of eternity are made clear by the prophets, the Word and by Christ.

In spite of what man does, there remains the wrath of a loving God to keep

unrighteousness out of His people and out of His Heaven. His people are those who have fled from His wrath and appealed to His love found in Jesus Christ. Those who challenge God on the basis of His wrath will never experience His Grace administered in His love.

Today, if you have seen both God's love and His wrath, you have seen the eternal truth of His righteousness, the finality of your chosen condition. Depending upon your willingness to allow God to clean and change you into one who lives in His love and warns others of His wrath and the Hell that confirms it, you will eventually be elevated to the one or cast into the other. Accepting the work and Word of Christ is the key to your end. Accept only Him and His cross, and live; reject Him and His cross and your eternal lot will be the horror of His wrath, the counterpart of His love that you scorned. Choose the Holy Ghost baptism and escape the baptism of His fire.
